

BEEN THERE, DONE THAT.

Hickorys Champ is a 17 year old finished barrel horse anybody can ride. He is a pretty bay horse with a long mane and tail. He's 15'2 and 1000lbs. He is a sweetheart and I would love to see this horse go to kid ready to step up to a faster horse! He's made it to the Turquoise Circuit Finals, been hauled all over the country in the WPRA, and has been to many high school and junior high rodeos. He runs indoor and outdoor. He runs consistent 2D times. His legs are clean, needs no maintenance, and has no vices. Honest gives you the same run every time. Gentle clips, loads, good to shoe, in shape and ready to run. \$10,000
