

Dear Valued Supporter

I am writing you to see if you and/or your company could help out in supporting the youth in Arizona and the sport of rodeo. I am seeking any form of sponsorship for the Arizona Junior Rodeo Association and the youth that compete at these rodeos. This association has been in existence in Arizona for over 50 years and we are grateful for any financial help to keep it operating. This year we are winding down our season rodeos and will have our state finals rodeo to be held in May. Our goal is to award the event winners with a trophy buckle and year end prizes for the finals to award them for their skills and strong dedication to preserving the western heritage.

Last year, with a lot of help from people like you, we did manage to raise enough support throughout the year to award kids from the ages of 5 to 18 buckles and saddles for the year end winners. This is truly an association for, and about the kids and is substantially funded by your donations. We would love to be able to have the same level of awards that were presented in the past for this year's contestants. These kids work hard during the year to maintain their skills along with a lot of sacrifice from their families to be able to compete. Our association has a long standing position in the community and the economy has hurt our ability to give awards to the contestants.

Enclosed is a sponsorship form if you are interested in donating to the kids. As a donor your company will be advertised and notated at our rodeos and programs. On behalf of all the young kids and parents we truly appreciate your generosity.

Your donation is tax deductible, Tax ID#86-0299714. Any help you can give toward achieving our goal would be greatly appreciated. We are requesting supporter funds to be paid by check so that we can keep an accurate accounting of funds received.

Please make check payable to:
